

Nairobi, 7 August 2017

**TO WHOM IT MAY CONCERN**

This letter serves to notify you that the Pan African Mosquito Control Association (PAMCA), is currently establishing a database of all institutions and individual scientists operating in the field of medical entomology across Africa.

The goal of the survey is to obtain a comprehensive overview of the medical entomology capacity available within Africa as well as identify the needs for capacity building in this field.

The study is conducted under the auspices of PAMCA and is sponsored by the Bill & Melinda Gates Foundation.

I will appreciate your cooperation to make this endeavour successful and request your cooperation when being contacted by (one of) the following consultants:

Dr. Silas Majambere (IVCC),

Dr. Fredros Okumu (IHI)

Ms. Ingeborg van Schayk (K&S Consulting)

Dr. Bart GJ Knols (K&S Consulting)

Please avail them your cordial assistance when being contacted.

For, and on behalf of, the Pan African Mosquito Control Association,

Prof. Charles M. Mbogo

President PAMCA
